EXPERIENCE

Python Developer Intern

Mar 2026 – Present

Codec Technologies (AICTE Internship)

- Developed Python scripts and applications for practical problem-solving tasks.
- Worked on backend logic and implementation during the internship.

Software Tester Intern

Dec 2024 – Jan 2025

Elite Forums

- Tested platform features, identified defects, and assisted with customer support and issue resolution.

EDUCATION

Bachelor of Engineering in Electronics and Computer Science

Expected 2027

Shree L. R. Tiwari College of Engineering, Thane

Diploma in Information Technology

Completed 2023

Thakur Polytechnic, Kandivali, Mumbai

SKILLS

Programming Python, JavaScript, Dart, HTML, CSS

Web Development React.js, Node.js, Express.js, MongoDB, Firebase

Mobile & Desktop Flutter, Flet, Pillow, OpenCV

Tools & Hardware Git, GitHub, Cloudinary, ESP32, IoT sensors

PROJECTS

Connectwell Digital Marketing Platform

React, Node.js, Express, MongoDB

- Built a client intake and admin review workflow with secure access and MongoDB-backed request management.
- Added quotation drafts, A4 PDF generation, and WhatsApp-ready delivery for client proposals.

AttendAI Pro

React, Node.js, Express, MongoDB

- Developed multi-role academic portals for administrators, faculty, and students with protected access.
- Built attendance, timetable, request, and reporting workflows across a responsive interface.

PacePDF

Flutter, Dart

- Built a mobile PDF utility with merge, split, page organization, removal, and local file history.
- Released the app on Google Play in production, with saved outputs available for access and sharing.

Passport Photo Studio

Python, Flet, Pillow, OpenCV

- Developed a local desktop app for photo preparation, background editing, A4 sheets, and image export.
- Added crop, resize, and alignment controls while keeping photo processing on the device.

IoT Plant Monitoring System

ESP32, IoT sensors

- Gathered environmental readings with connected sensors; presented at TANTRAVERSE 2026 TechExpo.

CERTIFICATIONS & ACHIEVEMENTS

- Python Developer Internship, Codec Technologies (AICTE Internship).
- Software Testing & Customer Support Internship, Elite Forums.
- Participated in TANTRAVERSE 2026 TechExpo, Shree L. R. Tiwari College of Engineering.

EXTRA-CURRICULAR ACTIVITIES

Social Media Team Member, Shree L. R. Tiwari College of Engineering. Worked with the college team to manage its social media accounts, create posts, and share updates from campus events and activities.

HOBBIES AND INTERESTS
